9<sup>th</sup> April, 2014

**Our ref: FUI-OG/TRN.09.04.01/36330**

Dear Sir,

**EXPORT PERMIT RENEWAL – 3<sup>RD</sup> QUARTER OF 2014**

Please find attached 3 (three) copies of completed Form E001 as follows:

1. Bonny Crude - BONNY
2. Forcados Crude - FORCADOS
3. EA Crude - SEA EAGLE (EA)

As requested we also include herewith copies of:

- Monthly NNPC commercial allowable for May 2014
- Current tax clearance 2011 to 2013
- Evidence of Royalty payments
- Technical allowable for first half of 2014
- Expiring export permit for Q2 2014

Please note that DPR Certificate of conformity for Bonny, Forcados and EA are currently being processed with relevant section of DPR and will be forwarded to you as soon as they become available.

We would like to reassure you that our estimated export volumes make no presumption on quota levels which will be set by NNPC, and accordingly actual export volumes may be less than the volumes assumed in submitting these permit applications.

Yours Faithfully,

**The Shell Petroleum Development Company of Nigeria Limited**

Capt. Rick Hibbert

**Corporate Shipping & Export Manager**
