Dear Sir,

Re: Export Permit Renewal – 4th Quarter of 2014

We forward herewith, for processing, two (2) duly completed form 1 in respect of our application for export permit renewal – 4th Quarter of 2014. We understand that these applications will be forwarded, after signature by the Director, to the Minister of FMITI for his approval.

Also attached are copies of:

- Monthly NNPC commercial allowable for July 2014
- Current tax clearance 2011 to 2013
- Evidence of Royalty payments
- Technical allowable for first half of 2014
- Expiring export permit for Q3 2014

We would be grateful if you could issue a clearance letter, addressed to the Minister, to enable us obtain the required permit. We would like to reassure you that our estimated export volumes make no presumption on quota levels which will be set by NNPC, and accordingly actual export volumes may be less than the volumes assumed in submitting these permit applications.

Yours faithfully,

Shell Nigeria Exploration & Production Company Limited
